Welcome

From the Mayor

Welcome to the first of what we expect to be a continuing series of newsletters to provide not only information of interest but also a platform to engage and enhance the lives of all current and former residents.

Whether you are a lifelong resident, relative newcomer or someone who has moved away but still holds special connection to our town, we want to encourage you to become an active participant in the life of the community by sharing your ideas with the newsletter, attending town meetings, and contributing your time and energy to making our town a place you can be proud to call home.

Having lived in the East Bend community for over forty years, I might still be thought of as a transplant from Winston-Salem, but my roots in the community go deep. My ancestors (Hicks, Douglas, Hunter, and Thompson) hail from this area, and I still recall the stories they told about growing up here, and the pride and joy they still retained in their memories.

The love of place is what we would like to see everyone possess, embrace, enjoy, and share. We can best do this by working together to make it happen for all. Plan to be a part *not* apart. This is your community.

-Archie Hicks
